Alumni salute Glendale during homecoming parade

"It Happens Every Summer"

At Open House

Teachers Frolic

For Parents

This year, in an effort to bring more parents and family members to Open House, Glendale's teachers and administrators combined forces to present a "Faculty Frolics" show in the gymnasium. Competition included such events as pushing a peanut with their noses and moving a ping pong ball down the basketball court by blowing through a straw. Their escapades seemed to be enjoyed by many in the audience, parents and students alike.

Dances Gain

Popularity

Dances seemed to become a more and more important part of students' lives this year.

About 150 students danced beside hay bales and pumpkins at the newly begun Harvest Dance. Held in November during regular harvest time, the dance featured DJ Ron Foster from KRUX who played mostly country and disco music.

According to student senators the senior class has planned to make the Harvest Dance a new tradition at Glendale.

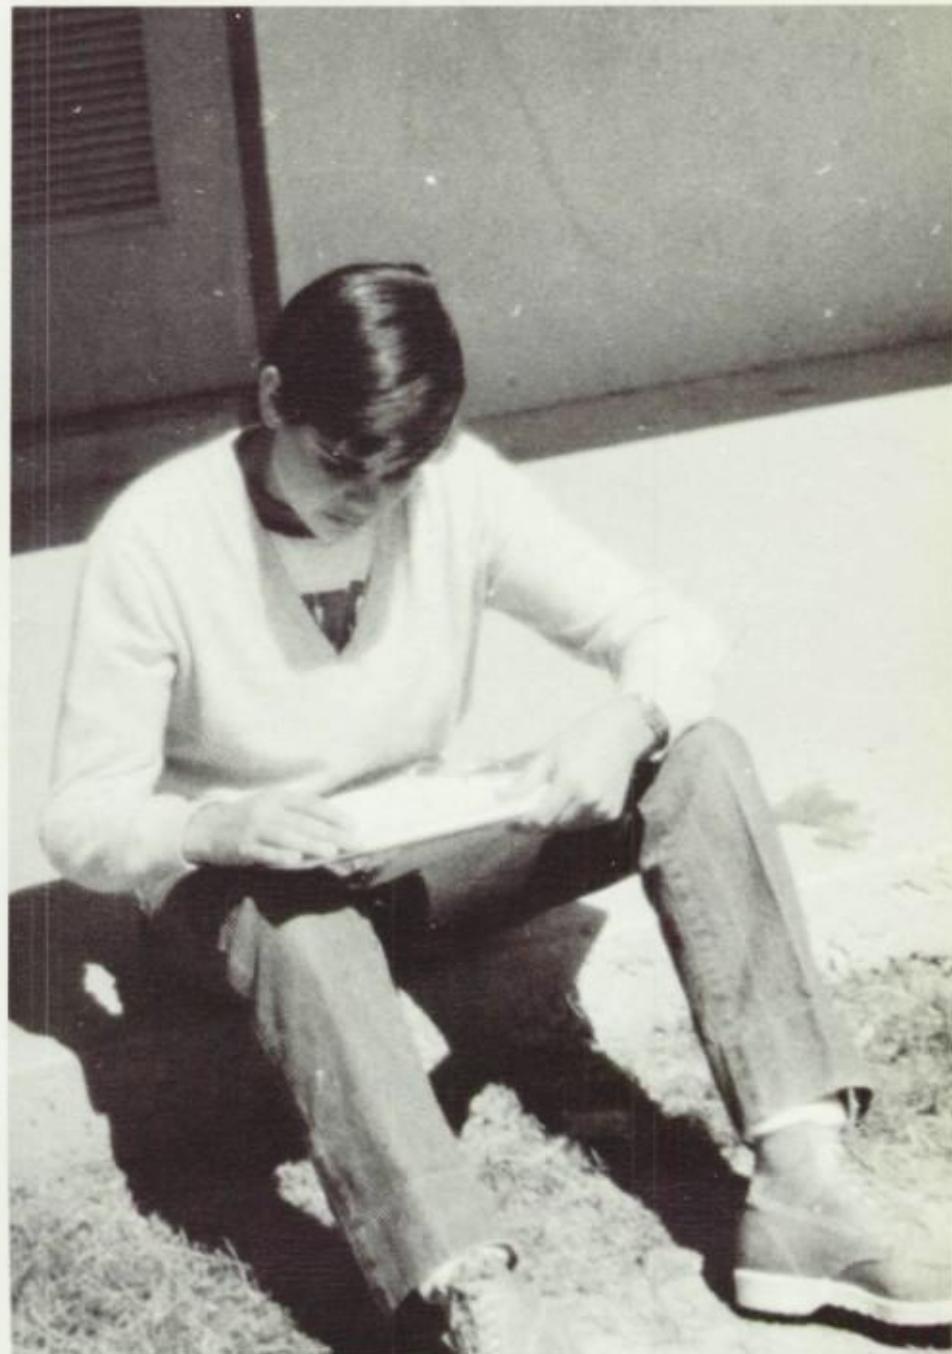

Students exchange cultures

The smiles in these pictures are the foreign exchange students for this year. Both Izabella and Sergio are here with an organization that allows high school students to go to another country for a year of school. Both students enjoy Arizona and feel the people here are friendly and very helpful.

Izabella Pieniazek or "Bella" as she is called, is from Sweden. Here at Glendale she is involved in chorus, Lyres Club, flag corps, volleyball, and the ishbeck organization. She says she is really happy to be in the marching band. Performing with that group is new and interesting because there aren't things like that in Sweden.

Swedish and American schools are very different. In Sweden students have weekly schedules and there is homework almost every night. Bella's last year there, she had 17 required subjects. On the prospect of leaving Glendale to return home this summer, Bella says, "I've made many friends, who will be hard to leave."

Sergio Vergare is 16 years old and is here from Santiago, Chile. He enrolled here at the beginning of second semester. His favorite sport is skiing.

In Chile the students must wear uniforms everyday. Another difference is the teachers go to your class instead of the students moving from class to class. Chile also has different subjects everyday and the hours are also different.

The Sweetheart dance this year captured attention with its theme song "All of My Love" by Led Zeppelin. This was Mona Tijerina's second year as a Sweetheart attendant. This was a happy moment for all the attendants and the queen, and one they will always remember.

The newspaper staff got off to a slow start because of its inexperience. The newspaper was put out by the beginning journalism class, and as the year went by working together, they

At the awards banquet last fall, Julio Galaviz was named Most Valuable Player; Dennis Kalco received Most Improved honors; and the Most Spirit award went to Ray Reis.

Frosh coaches show leadership

The people on these two pages are not just ordinary people. They are just a few of the people who through their patience, determination, and father-like personalities, set a high standard for the freshmen to look at. They are people who are heroes to many freshmen boys and girls. They are special to everyone on campus. They are freshmen coaches.

Despite record Frosh look good

According to frosh coach Jim Threadgill, the 4-9 season record was not indicative of the talent the squad possessed. Forfeits alone accounted for 6 team losses. Not counting these, the team out-wrestled their opponents man for man.

The team leaders were: Most Takedown, Ray Dominguez; Most Escapes, Paul Shanahan; Most Reversals, Leonard Montes, Joe Krammer, Ray Dominguez; Most Near Falls, Ray Dominguez; Most Pins, Paul Shanahan, Ray Dominguez.

Others that did an outstanding job as far as hard work and improvement were: John Bandin, Jerry Braudrick, Gabe Barriga, Ray Guerrero, Tim McCarthy, Andy Marquez, and Ray Reis.

J.V. has a trying season

J.V. Basketball had a disappointing season with 2 wins, 17 losses. Bryan Munoz set four new J.V. scoring records and David Hugh received the team spirit award.

The 1979-80 J.V. wrestling team, although small in numbers, had an outstanding season, winning 82 individual matches while only losing 22 and tying 3.

In the lower weights Greg Cervatez, 112 lbs; Tom Lee, 119 lbs; and Orlando Gonzales 126 lbs, stood out; while in the upper weights Mike Garcia, 191 lbs. and Eric Schroeder, Hwt. had bright seasons.

The whole team under the coaching of Mike Daniels did extremely well. Although they forfeited several weight classes every match, they still had nine wrestlers with winning seasons and a winning record of 6-5.

Next year's Varsity will be minus five seniors. But with this year's Junior Varsity squad moving up behind them, Varsity wrestling should be very prosperous for the next few years.

JV pins way to victories

JV's strengthen program

This year's junior varsity team was a young team with nine sophomores and only four juniors. Led by head coach Rudy Pacheco, and assistant coaches Tim Poole and Bob Fredricks, the team posted an 8-7 record.

Highlights of the season included an extra innings loss to Brophy and an exciting extra innings win against Prescott. The team seemed to improve with every game. Since the team was made up mainly of sophomores, Glendale's baseball program seems to be secure for several years.

Spirit keeps team going

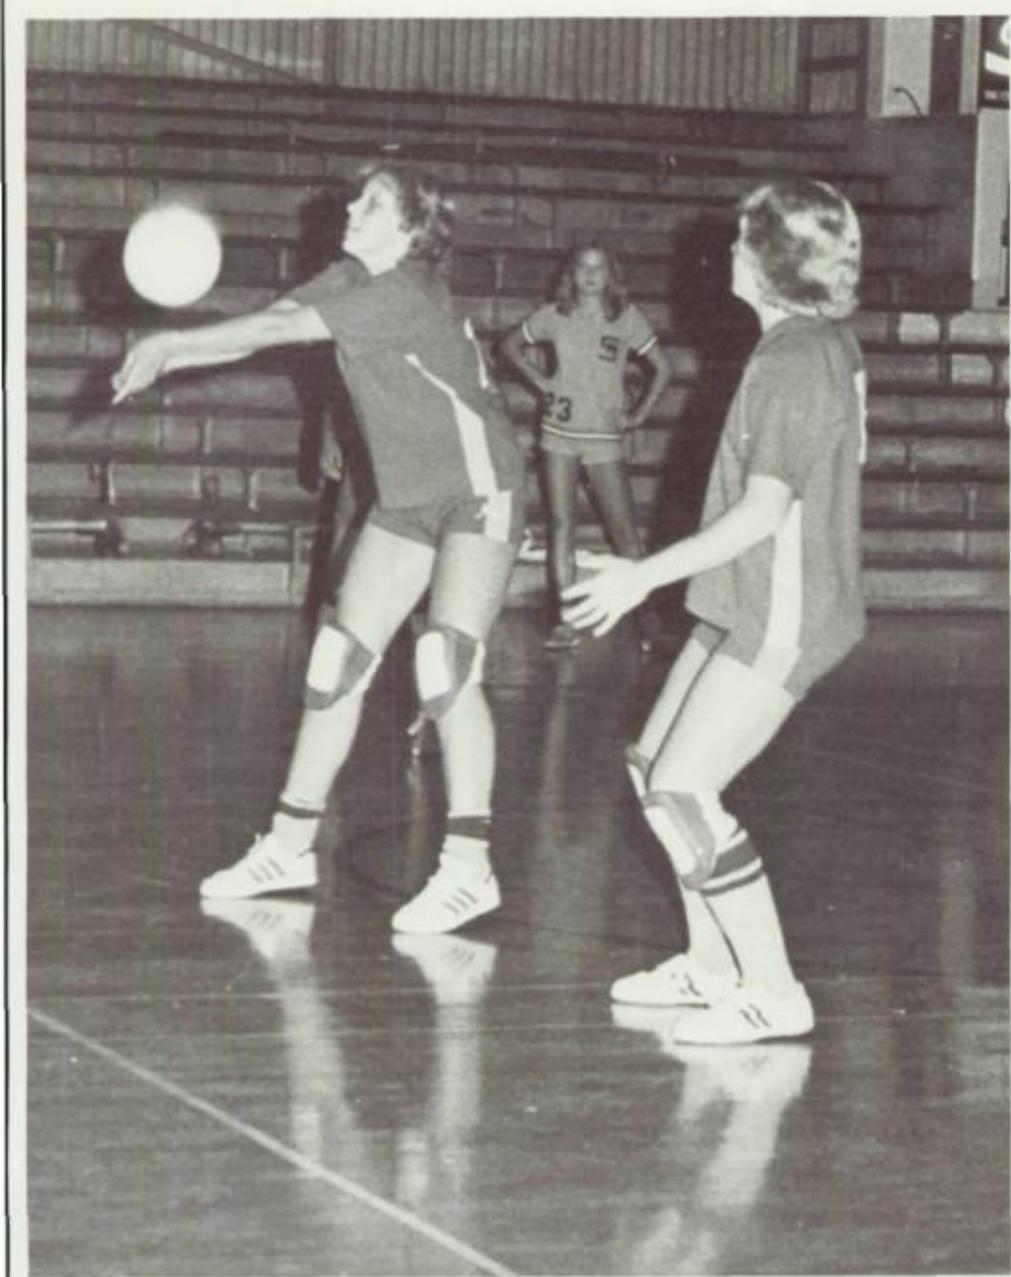

Due to the loss of girls at the beginning of the season the varsity team was slow getting started. Improvement was shown toward the end of the season with a close game to St. Mary's which went into extra points. With only one returning letterman, Lisa Lodan, the team was young and inexperienced.

The players and their positions were: Lisa Lodan - spiker; Peggy Lawrence - spiker; Paula Baugh - spiker; Michelle Smith - spiker;

Isabella Pieniazek - spiker; Tina Diaz - setter; and Kathy Jensen - setter.

Right - Paula Baugh bumps the ball to the setters. Below Left - Tina Diaz sets the ball up for a spike. Below Middle - Tina Diaz hits the ball with Lisa Lodan backing her up. Bottom Left - Kathy Jensen bumps the ball while Peggy Lawrence waits to spike. Varsity Volleyball - Row 1: Paula Baugh, Michelle Smith, Tina Diaz. Too Soon To Quit

Harriers Keep On Running

It was a year of gaining experience and of building endurance for the varsity cross country team under new head coach Ray Bierner. Team members ran an average of 70 miles per week in attempting to gain strength and needed muscle coordination for the meets.

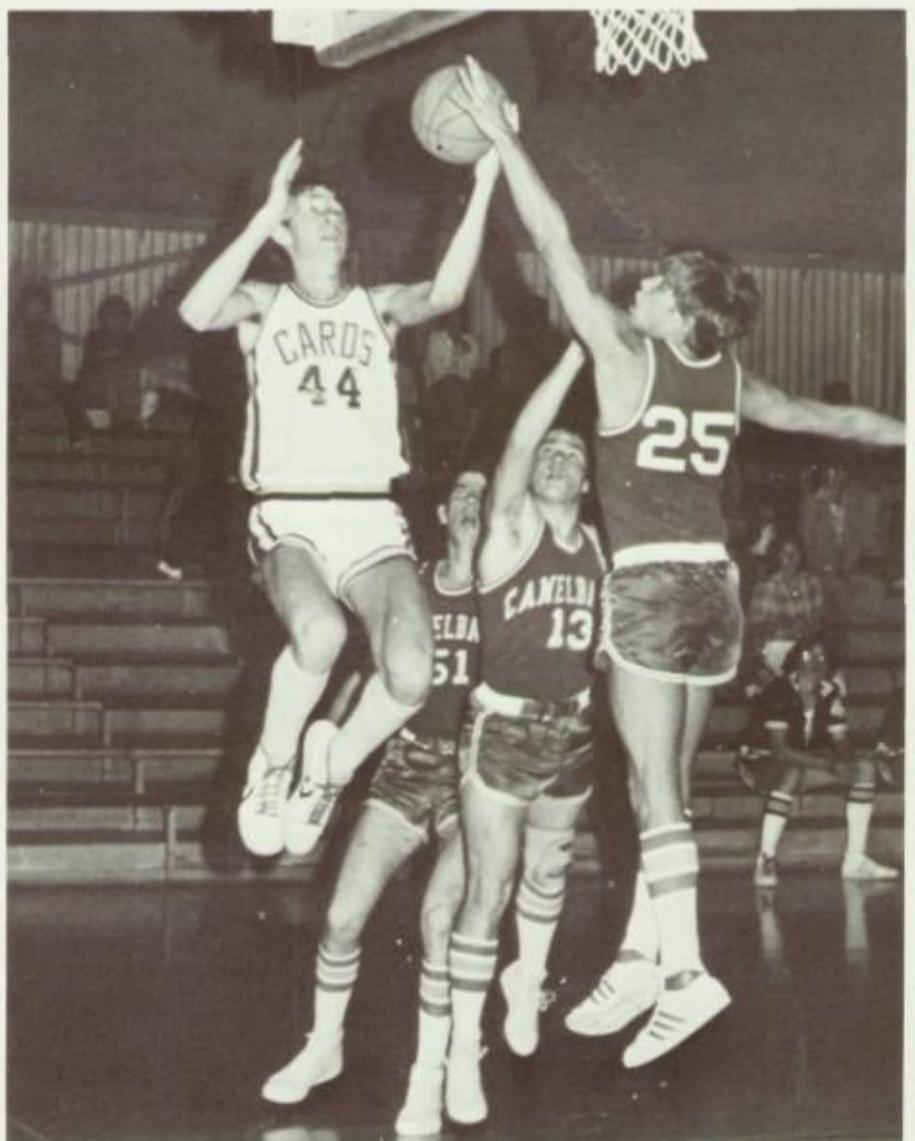

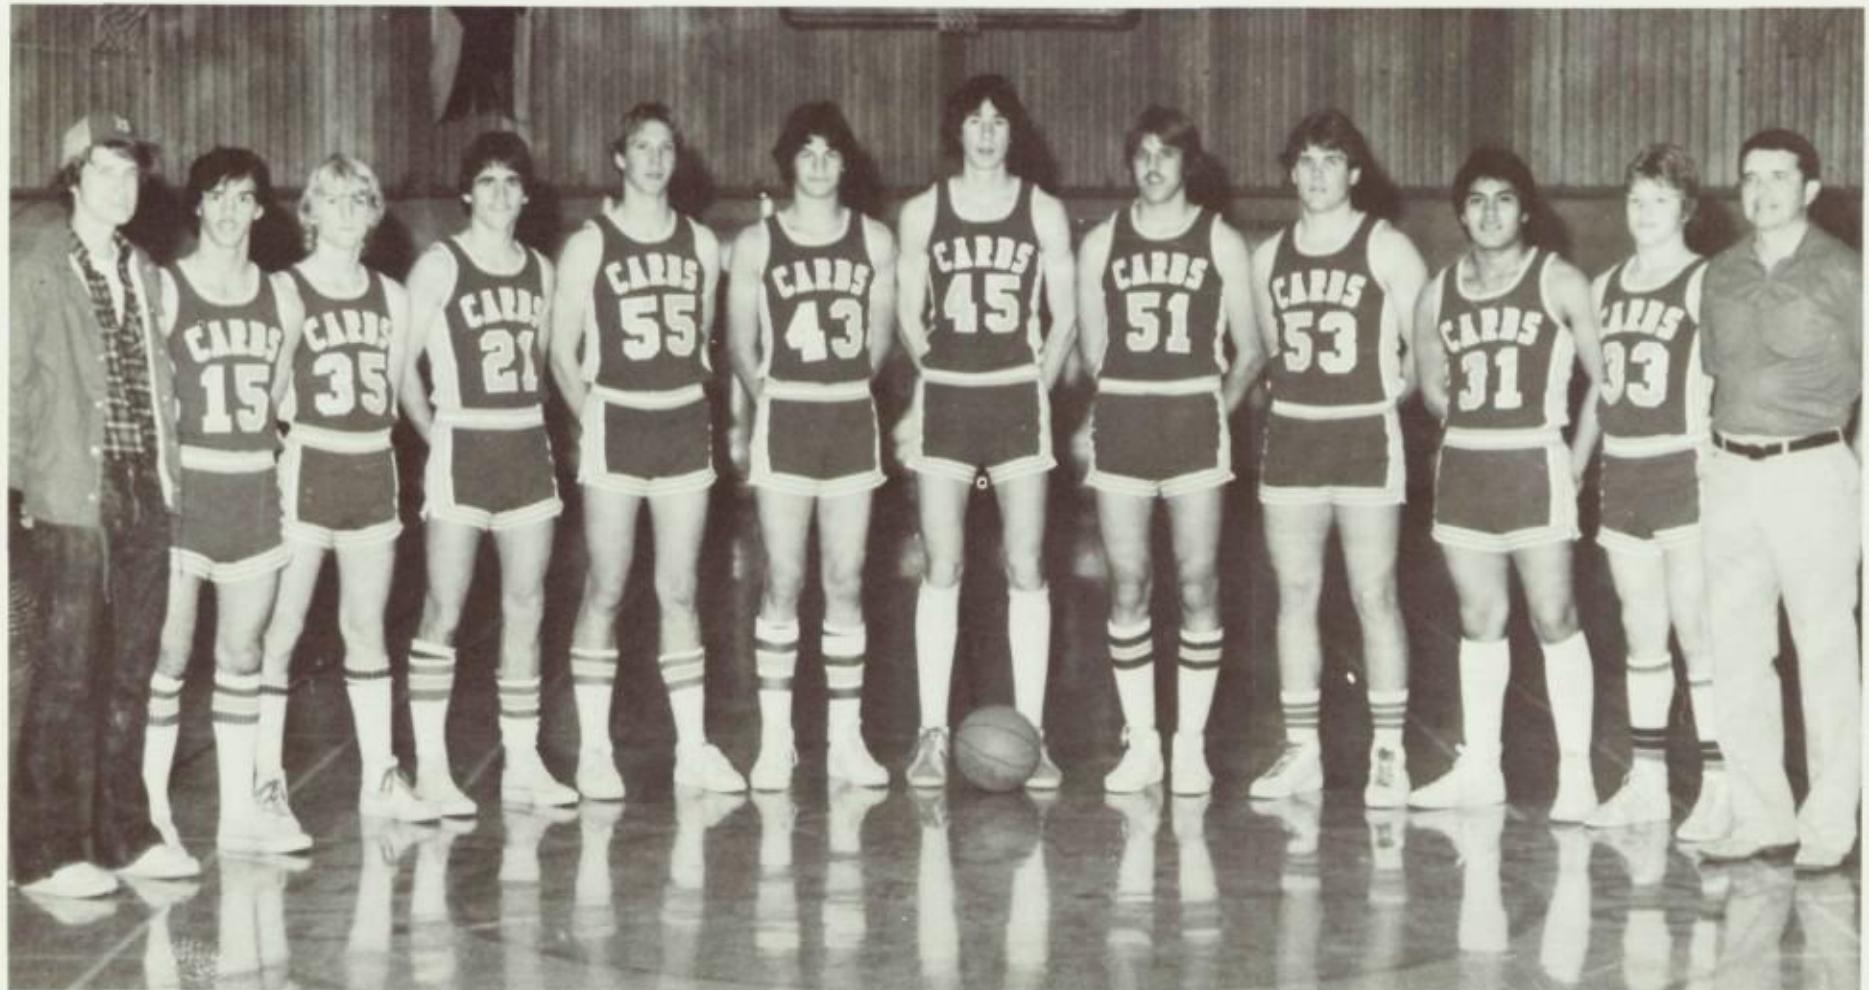

Four year cross country veteran Tom Littrell placed 22nd in the Skyline Division meet. Award winners at the fall sports banquet were Tom Littrell, Most Valuable Player; John Torres, Most Improved; and Roger Burger, Most Spirited.

Although individuals excel

Sheer numbers hurt

girls swim team

Although the new pool added a boost to everyone's morale and cut down on traveling time to and from O'Neil Park, there was still a low number of girls going out for the team.

The girls gave it their all, but that was not enough. According to Coach Myra Andersohnn, even if all of the girls had placed first in their events, they still could not have won a meet. The team was just not large enough to field each of the events.

However, great skill was shown by Annette Cones and April Cox when the swim team sent them to the state finals.

Inexperience Explains Record

Lack of experience was the key phrase in explaining the 2-6 season record for the varsity badminton team.

Although the team of six boasted the presence of two four-year veterans, Terri Kanemura and Suzanne Biallas, and one three-year veterans, Teresa Hollister, the remaining three team members had a year or less actual game experience.

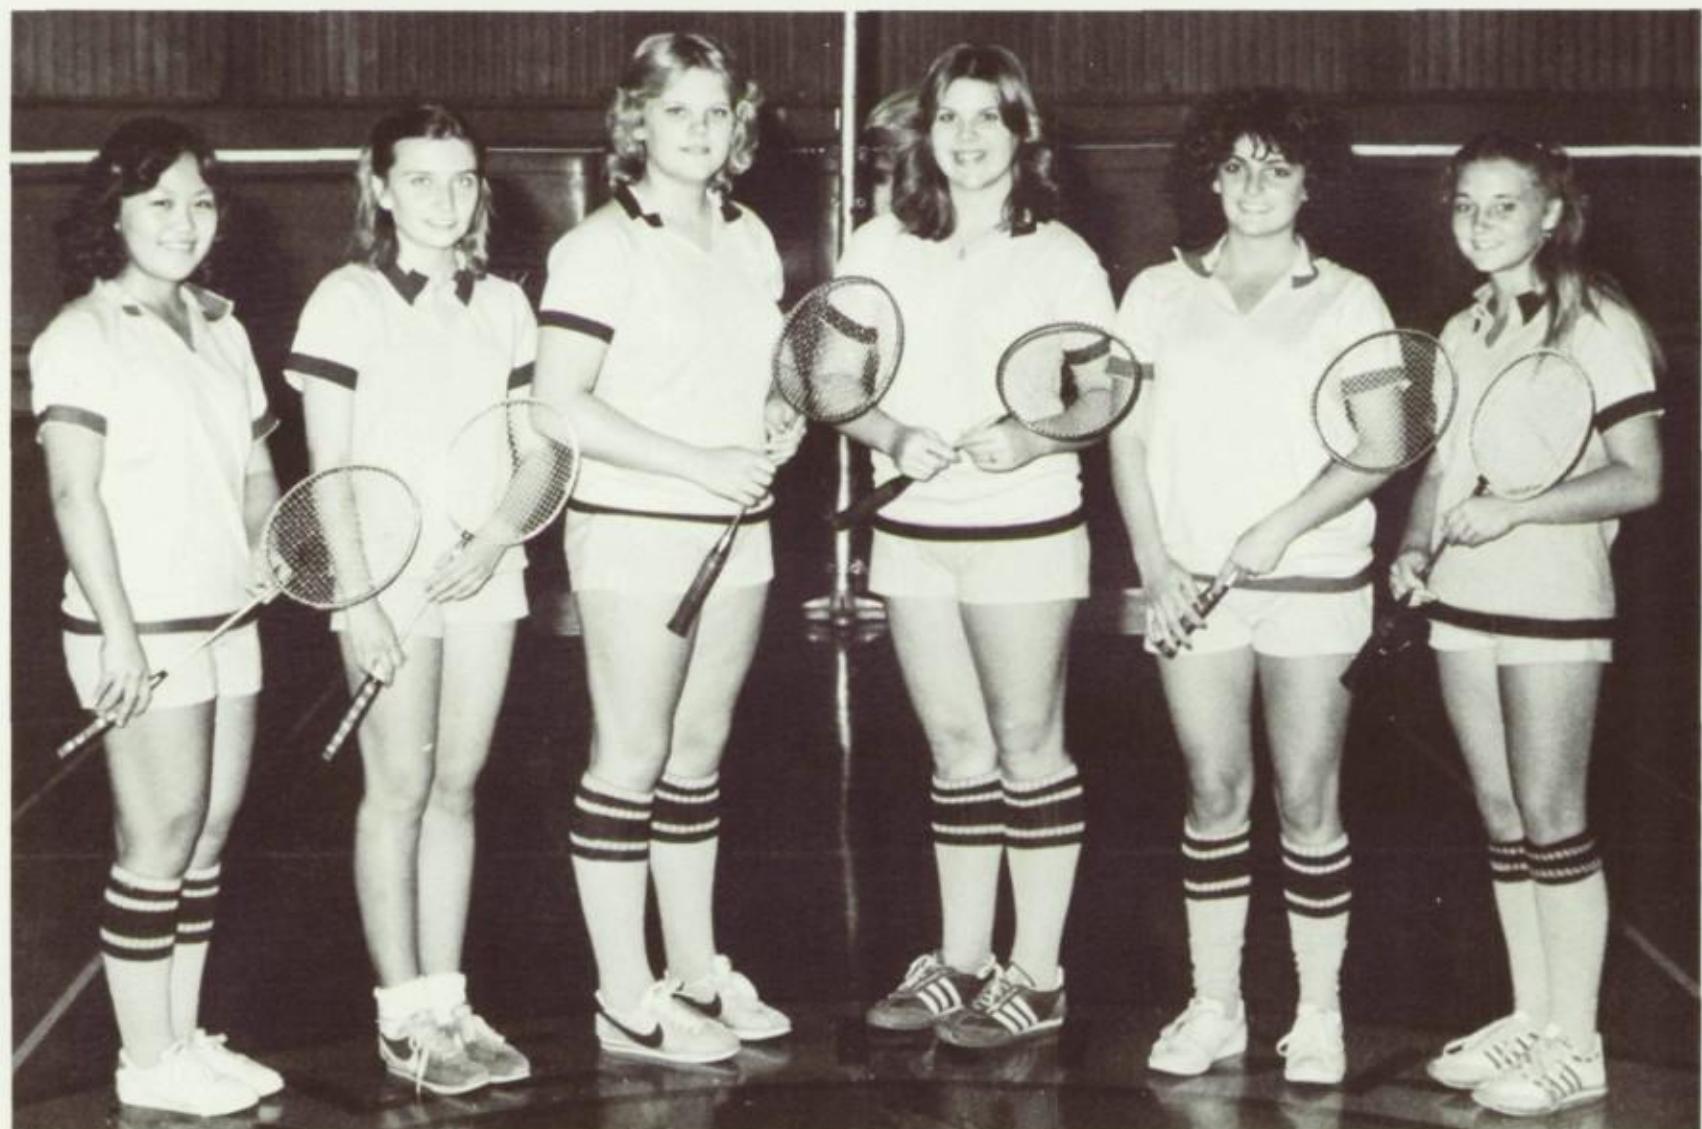

To help train the inexperienced players, Coach Gallegos enlisted the help of two college students, both badminton players themselves. Liz Meyers, an ASU senior and Marry Mullen, NAU senior, volunteered to help

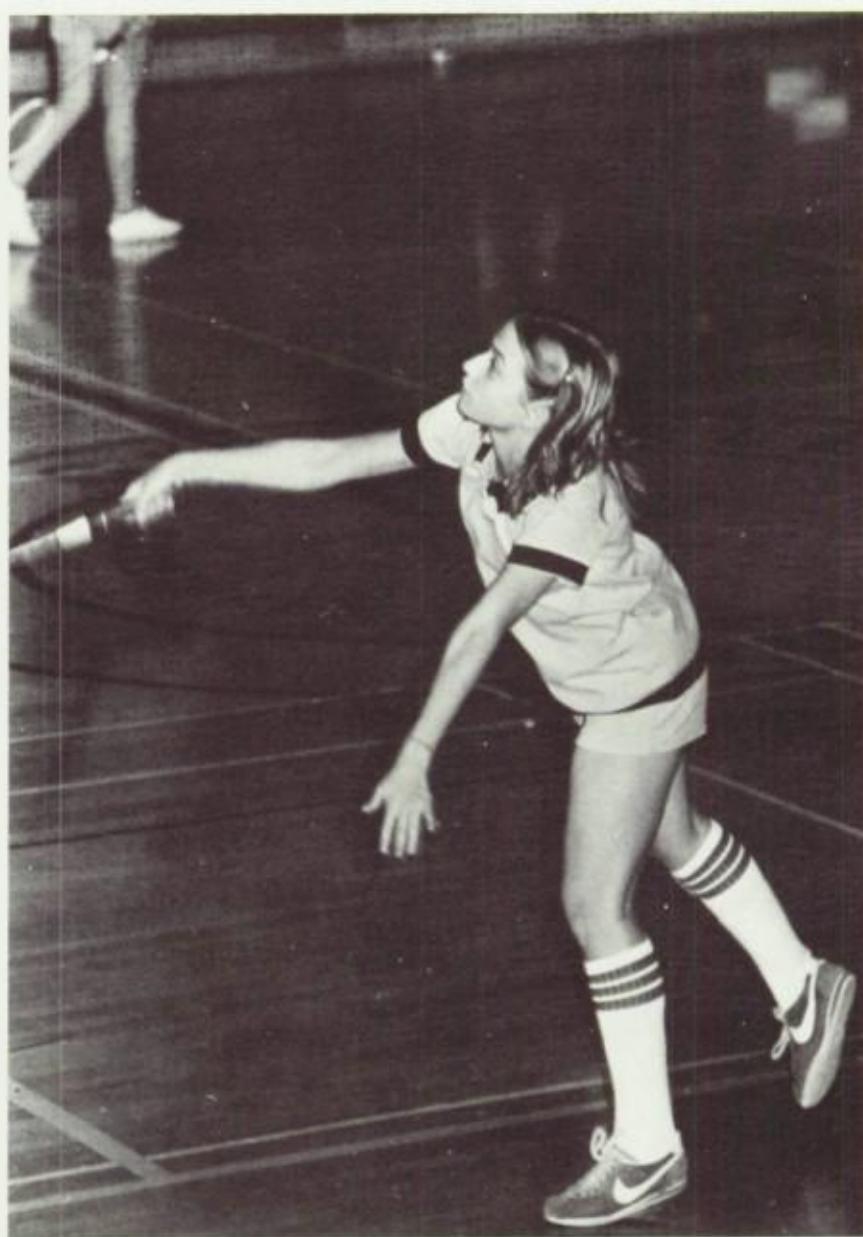

the less experienced members and specialize with the more advanced players to get them ready for division playoffs.

Terri Kanemura and Suzanne Biallas made up the No. 1 doubles team going to Divisions and Lori Biallas and Teresa Hollister went as Glendale's entries in the singles competition.

At the awards banquet Most Valuable Player honors went to Teresa Hollister and Most Dedicated award was given to Terri Kanemura.

"We're No. 1" was the chant at Shadow Mountain high school after the 1979-80 Glendale wrestling team took the division title for the 2nd time in four years. Led by "Skyline Coach of the Year" Vern Jacobs, the Cardinals had an 8-2 regular season record and placed 8 grapplers in divisions and 3 in the state tournament. Wrestlers who placed in these tournaments were: Divisions, 1st place - Alex Montes: 98 lbs.; Steve Lindley: Hwt.; 2nd place - Morgan Henry: 105 lbs.; Tom O'Brien: 119 lbs.; Scott McClead: 179 lbs.; 3rd place - Randy Cervantez: 126 lbs.; John Backus: 138 lbs.; 4th place - Mark Spreier: 191 lbs. State, 2nd place - Alex Montes: 98 lbs.; 3rd place - Scott McClead: 179 lbs.; 4th place - Steve Lindley: Hwt. Along with taking the division title and placing 7th in state, the wrestlers took 3rd place in the Christmas tournament and 6th at the Peoria tournament.

Varsity Takes Division Title . . . Again

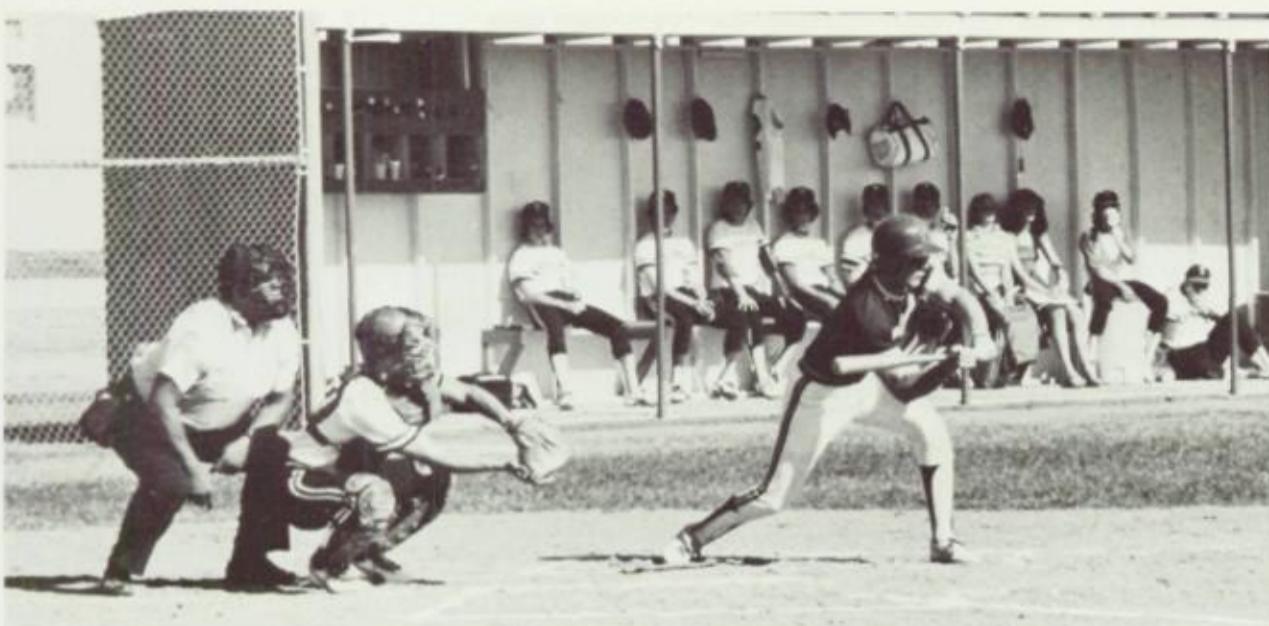

Varsity ranked in state

At press time in April, this year's varsity team was off to an outstanding start. With a 4-3 league record they were tied for second place in the league and had beaten some of the top teams in the state including the Division leader, Greenway, twice.

With this being Coach Carl's first year as head coach, he did a tremendous job, forming a squad of strong hitters and hard-throwing pitchers. If they keep on playing like they did earlier in the season, there were hopes of the team going to the state playoffs for the first time since 1956.

Students take over city offices

Other seniors who received high scholastic honors this year were: Scott Shively, ASU Medallion of Merit; Bill Bowie, National Merit Scholarship finalist; Joe Brackin, National Merit Scholarship Commendation.

Besides being named co-valedictorian Lesa Aylward was also a Presidential Scholars Award finalist (a first for GHS) and was also a National Merit Scholarship finalist.

Diane Martarella lead the way for the junior class, receiving the University of Arizona's Outstanding Junior Award.

Students who took over Glendale city government offices this spring included Brad Clark, Becky Bateman, Bill Bowie, Dianna Dennis, Lori Baxter and Ed Zahniser.

Glendale High is also honored to have the champion race car driver of the Beeline Dragway's annual High School Drags. Pat Sardina, a senior, took top honors at the meet last fall.

Pat has been racing for one season at Phoenix Dragway, Beeline Dragway, Tucson Dragway and hopes to go to Bakersfield and Orange County CA. His fastest time is 12.0 at 116 m.p.h. He hopes to be running Jr. Pro in two to three months.

Pat's car is a "69" Nova, 4 speed 350 engine, with very expensive slicks and centerline racing wheels.

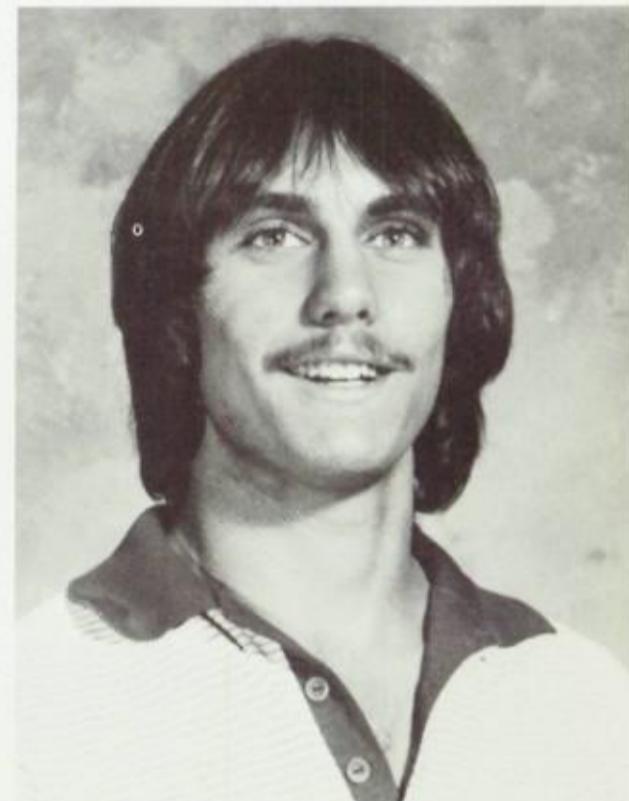

Other accomplishments honored

Recognition should also go to sophomore April Cox, who for the past several months, has been swimming in AAU sanctioned swimming meets. Last April she competed in the Junior National Swimming Championship and qualified to compete in a second Junior National Swimming Championship, long course, in Fort Lauderdale, Florida, later this summer.

April swims with the Glendale Swimming Gauchos, an AAU team. She practices five hours a day plus attending school. She has only been swimming for two and a half years so far and has a promising future ahead.

Kevin Wyatt

Kevin Wyatt, a senior at GHS, was chosen to play in the Coaches Senior All Star Basketball Tournament.

Troy Jacobs, also a senior, was named to the ARIZONA REPUBLIC Superteam and was named an All-State Defensive Back in football.

Maintenance Staff keeps campus clean, school working efficiently

This year the custodians did a great job on our school campus. They kept it clean and neat, so when Glendale High School had visitors, our school made a good impression toward them. So the Cardinal staff thanks the custodians for a job well done.
